

Weddings **BY THREE TOADS FARM**

Congratulations on your engagement. We are thrilled to be a part of your most special day. Here at Three Toads Farm: specialty cut flower growers and fine floral design, we create works of art with our unique and stunning flower selection. We strive to use as many locally grown blooms as possible and when selecting varieties grown outside of Kentucky we choose only the top varieties. *Only the cream of the crop will do for your special day.* Our nationally recognized floral design is simply exquisite, sure to make a classic & beautiful statement both you and your wedding guests will remember for years to come. Our goal is to make your day as enjoyable and as stress-free as we possibly can.

How to say “I do” to Three Toads Farm:

1. Review this packet and **fill out our Wedding Information Questionnaire** and send back to elizabethbhendricks@gmail.com at your soonest convenience.
2. No later than a week (usually within a few days) after we receive your information we will reply with an **estimate**

based on the details you provide about your special day.

3. When you review your estimate we can schedule an in-person **consultation** (or over the phone if you prefer or if you are long distance). We can answer all of your questions and address any concerns or requests you may have.

4. If you decide to say “I do” to Three Toads Farm, a **signed contract and deposit** will *set your date* with Three Toads Farm. At this time we can also discuss any additional details and/or delivery options and add them to the contract. *A deposit is either 1.) half of the entire balance or 2.) a \$500 (\$400 of which goes toward the balance, this is simply an option to start paying your balance at a later date).*

5. **Final payments/remaining balance** will be *due 2 weeks prior to your wedding date*. Acceptable in check, cash or charge. Checks made payable to Three Toads Farm Events.

6. **Enjoy your beautiful flowers!**

General Pricing Estimates:

these can vary or increase due to cost of certain varieties and availability
